Note

The President of the L.T.B. Kadu submitted (sl. 49 & 54) an estimate for Rs 2500/- for extending the splayed wings of the to Begur - Halla Bridge on Tariken - Hosadurg Road and requested sanction to the appropriation of the amount req'd. from the grant of Rs 8500/- sanctioned for certain works from L.T.B. Gl. in Govt's no. 8226-7 / 1-T-2-98 dt. 16.1.99 (sl 39)

The 2nd Councillor, to whom a draft sanctioning the reappropriation was sub'd., desired ~~called for~~ information as to what had become of the longlist of works specified in the Order of 16.1.99 and how they could be completed if the amount of Rs 2500/- were diverted for the work now proposed (Paper above sl 54). A report was accordingly called for from the President. (sl 55)

A statement showing the details of the works carried out from the grant of Rs 8500/- has now been received from which it will be seen that out of a total of 25 works, 4 have been completed and the remaining 21 are stated to be progressing, and that a sum of Rs 1592/- has been spent on the works up to the end of June/99. The Pres. adds that as the repairs to the Bridge was urgent, a reappropriation was proposed in the belief that the grant sanctioned on 16.1.99 could, if necessary, be slightly added to. Sub'd to Secretary [illegible] 10/8/99

Rs 925 out of the Grant of Rupees 8500 remains unutilized. It is doubtful whether the whole of the balance will be spent during the current year. If necessary a small supplemental Grant for the completion of the work may be sanctioned. Time for the abovementioned purpose for the respective years may be extended.
